

NICOLETTE BOOYENS

Speaker Trainer Social innovator

I have worked in the NPO sector for 10 years offering local economic development strategies focussed on enterprise programmes for emerging and social entrepreneurs. I share my insights through a range of presentations on socio-economic strategies, development methodologies and economic justice. My presentations are ideal for South African organisational leaders, development practitioners and people who want to be part of the future solution in South Africa.

Presentations

Trade not aid

For CSI and NPO leaders and donors.

This key-note lobbies the merit of enterprise development as a catalyst for local economic growth and poverty alleviation.

An in-depth look is offered on strategies that are useful to NPO management teams, thought-leaders, and supporters.

The concept and application of social enterprise strategies as a solution for local economic development are discussed. Practical examples and case studies are offered.

Collectivism

For Corporate employees and all South African citizens

This presentation offers a check-up on our social status and inventive ways to shape our sustainable and collective actions are introduced.

Gaining an understanding of collectivism enables us to be more aware of the people around us.

The concept of collective relevance is introduced and a commentary is given on the role we all play in the restitution and transformation of our country.

Transformation Agenda

For NPO Leaders and practitioners

The Transformation Agenda explains the principles that Nicolette holds on socio-economic development in South Africa.

It includes commentary on the economic justice and how it relates to the poor.

This talk gives an insight into local economic development methods and offers strategies and case-studies in support of the content.

LiveNow!

For emerging entrepreneurs, financial freedom seekers and youth.

This talk is inspirational and fun. LiveNow lobbies the concept of financial freedom, and how to recognise opportunities.

It examines work ethic, lifestyle, and social values.

Self-awareness and actualisation are discussed and participants are encouraged to take full responsibility for themselves.
